21st Reunion - Indianapolis - September 24th- 26th - 2009

Tom & Marlene Brant

Your Hosts

Fred & Lynn Grimm

Indianapolis, Indiana—Your Host City

Indianapolis, in the central part of the state, is the capital of Indiana and seat of Marion Co. In 1821 the community was named Indianapolis, and the U.S. engineer Alexander Ralston who assisted the French architect Pierre L'Enfant in planning Washington, D.C., was commissioned to lay out the community.

Incorporated as a city 1847, and the largest city in Indiana, Indianapolis is a commercial manufacturing, transportation, and cultural

center situated in the productive Corn Belt agricultural region.

Points of interest include the home of President Benjamin Harrison; the home of the Hoosier Poet James Whitcomb Riley; the State Capitol (completed 1888); Union Station; the Soldiers and Sailors Monument (1902), in Monument Circle, the heart of the city; Woodruff Place and Lockerbie Square historic districts; Indiana World War Memorial Plaza, including the American Legion national headquarters building; and the Gothic-style Scottish Rite Cathedral.

Numerous cultural institutions and museums are in Indianapolis. In addition, the city supports modern dance and ballet companies, a symphony orchestra, an opera company, and several theater groups, including the Indiana Repertory Theatre.

Chris and Captain Bill Hurst

Dear Shipmates,

The USS Stoddard (DD-566) has been a part of my life for many years. In February 1945, while already in the Aleutians, I was ordered to the Stoddard as Executive Officer. At that time I had quite a few shipmates – all young and active. I was an “old” man then at the age of 26. Now, at age 90, a good number of those “youngsters” are gone, but fond memories remain.

Soon the ship sailed south and participated as a radar picket ship off Okinawa, working with carrier operations, shore bombardment, and eventually sending a detail of men ashore in Japan the day before the armistice was signed.

Returning to the States the end of 1945 the ship stayed active until she was decommissioned in Charleston, SC in the summer of 1946. The Korean War began in 1950 and the USS Stoddard was re-commissioned by a new group of young Navy men. She remained on active duty through Vietnam and a few years beyond.

Through the Stoddard Reunions, which Chris and I began to attend in Boston in 1995, I found a number of my WWII shipmates and made friends with the younger shipmates and their wives.

We are now in the year 2009. I find my legs will not carry me as far as they did only a few years ago. The last reunion we were able to attend was in Sacramento, California in 2005. Our daughter, Cheri, was with us to be sure we made it through the various airports.

I thank all who have been so thoughtful and supportive of me through the years. Chris and I have enjoyed knowing you, and we continue to stay in touch with many of you. Thank you for your notes, your phone calls, - and your caring about us. We will be with you in our thoughts as you younger shipmates continue to find your ways to the reunions of the USS Stoddard. She may be “resting in the deep,” but she will always be a part of us.

God bless you all...

Respectfully

Bill Hurst

Capt. William J. Hurst, USN (Ret)

20th Seattle Reunion—2008

Hello Shipmates:

Last September seems so long ago now. As the time for the Seattle reunion approached, it was like a vortex with each and every arrangement moving faster 'n faster to the reunion date.

It was an extremely busy time for us but a labor of love sharing our Seattle with all of you. We were so pleased that a lot of you took advantage of the free time to explore the city. We tried to share as much as possible of the nautical life in Seattle with all of you. And, the Virginia 5 Captain, Engineers and Crew were absolutely thrilled to have all of the Stoddard personnel on board.

I have to share a *secret* with you. Ok maybe not so much a secret -- Cricket Laible was the definite moving force for the Seattle Reunion. She negotiated most of the venues and kept down all of the costs especially for the Seattle area. John Gerten arranged for the ships visit on board the Turner Joy and the flowers. And as always, the Rauh's quiet behind the scenes guidance and help has been the successful under current for the past, present and future Reunions. Another kudo goes to our Treasurer. Fred handled all of the finances for the last several years. It's a detailed job and we appreciate all that he does.

THANK ALL OF YOU for all your help.

John, Cricket, and John

USS Indianapolis (CA-35)

The second **USS Indianapolis (CA-35)** was a *Portland*-class cruiser of the United States Navy. She holds a place in history due to the notorious circumstances of her sinking, which was the worst single loss of life at-sea in the history of the U.S. Navy. After delivering critical parts for the first atomic bomb to the United States air base at Tinian Island on July 26, 1945, she was in the Philippine Sea when attacked at 00:14 on July 29, 1945 by a Japanese submarine. Most of the crew died from a combination of exposure, dehydration, and shark attacks as they waited for assistance while floating for four days. The **Indianapolis** was one of the last U.S. Navy ships sunk by enemy action in World War II.

20th Annual Meeting
Stoddard Alumni Association
Seattle, WA

Co-Presidents, John Laible and John Gerten opened the meeting. Secretary, Carlene Rauh read the minutes of the 19th annual meeting in Buffalo, NY.

Fred Grimm gave the treasurer's report. The balance prior to the reunion settlement was \$14,210.51, as of September 14th. The annual report reflecting the final Seattle Reunion receipts and expenses will appear in the January 2009 Newsletter.

Dan and Roxanne Withers will be updating the website with new materials. They requested members scan and send them new material. They would also like to compile more naval stories from the alumni members.

Chaplain, Bryon Goodwin requests that another member of the association take over as chaplain.

The secretary suggested that in order to save money a supplement to the membership directory is sent every other year. The membership unanimously agreed that a 2008 supplement to the directory will be sent out and a new directory will be printed for 2009.

Tom and Marlene Brant reported on the 2009 Indianapolis Reunion. The Adam's Mark Hotel will host the reunion September 24th thru 26th. The room rate will be \$92 per night. The hotel is near the airport and there is a free shuttle and free parking. The memorial service will be at the USS Indianapolis Memorial, and survivors of the Indianapolis will be invited to the service. Fred and Lynn Grimm will co-host the reunion.

The 2010 Reunion maybe hosted by Bill Millan in New Jersey. He will be contacted to confirm the offer to host the reunion for 2010. There was discussion about a 3 or 7 day cruise for the reunion. We will ask for comments about interest in a cruise in the January Newsletter.

Also there was discussion concerning mailing the newsletters to members with email address. It was the consensus of the group that since email addresses are changed so often, we would lose contact with some members, if we did not continue to mail the newsletter.

By unanimous vote the following officers were elected for 2009: Co-Presidents, Tom Brant and Fred Grimm; secretary, Carlene Rauh; treasurer, Fred Grimm; and chaplain, Fred Grimm.

The following donations were approved: The *USS Turner Joy* (DD-951) - \$300; Historic Ships - \$100; Combatant Craft of America - \$300.

After discussion, it was the consensus of the group that a second signature is required on the checking account in order to assure that someone is available to take care of expenses at all times.

The meeting adjourned to the next annual meeting in Indianapolis, IN.

Respectfully submitted,
Carlene Rauh, Secretary

Thanks to the Hursts for their very kind letter. Also if anyone is interested in a reunion cruise, please let us know and we can discuss it at our annual meeting in Indianapolis. Also, if you have paid dues in advance, ignore the enclosed dues envelope.

*Alone I will not be
my comfort will come from the sea
The stillness of calm waves will gently drift by
I will be as one with the sea
When the sun sets on the Ocean blue
remember me as I will remember you
As the sun rises go live life as full as can be
apart you and me, but a peace for I am free*

To the shipmates of the
USS Stoddard:

Once again I thank you for your contribution to our WWII Coast Guard cutter restoration project. We made some more progress this year thanks to your assistance. If you're in Seattle during the 4th of July let me know so that you might participate with us in a great celebration.

The 83527 was the South Sound cutter that operated from 1944 to 1962 from Tacoma, WA. We have met and sailed with many of the former crew members to different local area events. Although she is not a Fletcher Class destroyer, we can get underway and enjoy the roll and view off of the fantail. It's just smaller, but brings back the same memories.

See you in Indianapolis.
